# Peer Reviews

*Bob Moody (left, mentor);  
Corey Hanks (right, mentee)*

Corey Hanks  
Current UP Student

"The University of Prescott apprenticeship has exposed me to many aspects of the company. One year into the program and the experiences I've had are in order as follows: VAS inventory, warehouse, delivery driver, service work, inside sales, and management training."

Katrina McCurdy  
Floater

"The University of Prescott Program and Team EJP gave me all the tools necessary to build a successful career in the waterworks industry, and taught me many life lessons along the way. I was provided a great education while earning a salary!"

Devyn Hogan  
Inside Marketing Representative

"While in the program, I learned a lot about the waterworks industry, from helping a contractor adapt to obsolete piping that was laid many years ago to assisting homeowners reading plans and getting materials for their new septic system."
